**ShopSite Knowledgebase**

**May I use TeleCheck with ShopSite?**

Product: ALL
Version: ALL
Platform: ALL
Is it possible to use TeleCheck ( http://www.telecheck.com/home/home.html ) as a form of payment in my ShopSite store?Solution ID: S04036
TeleCheck is not currently one of the payment processing options offered through ShopSite. An enhancement request has been logged to integrate TeleCheck with future releases.
