Can I customize the cgi's? For example, thankyou.cgi, order.cgi, orderhandler.cgi, pages.cgi.Solution ID: S04106
There are no capabilities of customizing ShopSite cgi's.
Option:
If you have ShopSite SC Pro, receipts and finished order information can be manipulated by your own custom programs written to use the Order API found in the Merchandising section of ShopSite SC Pro. Help can be found through the Help button on the Order API setup screen or by searching for "Order API" in your version of the online help found at http://www.shopsite.com/help.
