

ShopSite Knowledgebase

Can the [--LINK--] tags be used with custom "More Info" templates?

Product: ShopSite Manager and Pro

Version: ALL

Platform: ALL Solution ID: S04117

The More Info pages are created through product templates and cannot use the "page only" tags, including the [--LINK--] tags.

More Info pages can utilize global and product tags, as outlined under the template specifications. Additional details may be found by searching for "Custom Template Specification" under your version of ShopSite at : <http://www.shopsite.com/help/Solution ID: S04117>
