How can I upgrade my store's version? Service level (ie: Starter to Manager or Manager to Pro)?

Product: ALL

Version: ALL

Platform: ALL

I'd like to upgrade my store from Starter to Manager or Manager to Pro. I'd also like to upgrade to the latest release of ShopSite. What do I need to do?Solution ID: S04768

Details for upgrading both the service level and version of ShopSite are available in the online instructions at:<http://www.shopsite.com/help/install.html>

Scroll down to the section marked "Upgrading ShopSite" and select the link for the upgrade you're attempting.
